PROPOSED

Reference to foreign cause(s): 2:07-cr-20071-JDB-1 (2:07-cr-20071-JDB)

Affidavit to Issue Warrant For Arrest of Bond by Writ

The corporate officials: J. Daniel Breen; Stuart J. Canale; James H. Allen, Thomas M. Gould and Stephen Shankman, acting as foreign agents for a Politically Motivated Foreign Cause are in contempt of the one supreme court order. Done this third day of the second month, in the year of the Almighty, six thousand eleven.

One. :Michael-Darrow: Mason and three county notaries: :Regan-Dwayne: Rossi; :Michael-Morris: Olson and :Joyce Earl-DeLancey: Lambeth having completed a judicial review, that included an Order to close this matter on this fore mentioned Politically Motivated foreign cause.

Two. Men and women acting as corporate agents-officers for foreign corporations: Internal Revenue Service, International Monetary Fund and the B.A.P. association corporations, none of which are lawfully registered or permitted into the judicial districts of Shelby the county and having made demands to transfer equity out of the county trust by force, fraud and coercion.

Three. These men and women have made demands without any lawful constitutional official offices or authority and are merely foreign private corporate agents attempting to steal equity from the steward for the Trustee, Yahshua. This being a direct challenge to the Authority of the Almighty, Yahweh and His proclaimed sovereign judicial districts on the county land as prescribed in the Book of Exodus.

Four. The Justices for the Supreme Court and Congress have failed to provide lawful constitutional offices for the living man to operate as such and therefore attempting to force every man, woman and child on the land of the Almighty, to be presumed to be a fictional created being. This being nothing short of blasphemy directed at the Most High and Treason against the men and women inhabiting His land.

Five. For the men and women of Congress and the Supreme Court failing to provide lawful constitutional offices for government officials to have any authority to act on any public law, whether private or positive law, leaves this union of nations without any of man's law and only the everlasting Law of Yahweh.

Six. The Almighty has obligated Himself to provide the means of a remedy for His demands. This shall bind the men and women acting as de facto agents No less.

Seven. These men and women acting as agents for foreign private corporations by means of fraud, threats, coercion and bearing false witness, has attempted to force the True Believing men and women of Yahweh's Word into fictional beings under the authority and control of nothing more than NAMES (CORPORATIONS) on a sheet of paper. This is forced worshipping of false idols under the threat of punishment: forced Religion not of the Almighty, but Paganism. This being a direct means of Damnation for the living man's soul with No Hope for Everlasting Life. There being no amount of silver or gold that can discharge this Oppression.

Eight. The fore mentioned facts has established the only choices of the man :Michael-Darrow: Mason to either stand on the Word of the Almighty, Yahweh and continued hope of eternal life and go to a corporate warehousing prison OR Worship false pagan rituals, pay tribute to false kings-idols, and therefore sealing the fate of a man's soul to the gnashing of teeth in eternal fire and brimstone.

Nine. The corporate officers acting as de facto judges, clerk and attorneys are in contempt of the Order of the court for the lawful offices, being county notaries, for the men and women on the land for the

Trustee. The corporate officials are attempting to create a **Constitutional Crisis** and **Treason** upon the land of the sovereign man for a foreign cause, being **Politically Motivated**. This being a direct challenge and attack on the **county Trust**, created in the Book of Exodus by the **Most High**.

Ten. The de facto officers have placed the man **:Michael-Darrow: Mason** as a fugitive from justice on the corporations website (UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF TENNESSEE) due simply to the fact **:Michael-Darrow: Mason** does not wish to be forced into acting as if he were a fictional trust or corporation, self confession of blasphemy against the **Almighty**.

Eleven. The corporate officers for the corporations; Internal Revenue Service, United States of America, B.A.R. Association or Department of Justice has no authority or jurisdiction on the land **Shelby county Trust**. These are mere orders from corporate officers attempting to impersonate public officials. Their orders or warrants are fraudulent, null and void on their face, with No effect of Law.

Twelve. The county notaries as witnessing the Order by **:Michael-Darrow: Mason**, as the superior court, to dismiss and close this foreign cause.

Thirteen. The county notaries are now in conjunction with **:Michael-Darrow: Mason** to issue an Arrest by Writ for the Public Bonds of the following corporate officers:

- a) Stephen Shankman, foreign agent B.A.R. member
- b) Stuart J. Canale, foreign agent B.A.R. member
- c) J. Daniel Breen, acting as a judge
- d) James H. Allen, acting as judge-magistrate
- e) Thomas M. Gould, acting as clerk of court

Notice of Offer for Immunity from Warrant

:Michael-Darrow: family Mason hereby grants an Offer of Immunity for the fore mentioned corporate officers in the event the Order of The court is honored no later than the eleventh day of the April Month in the year two thousand eight-as per the Julian calendar. The entire foreign cause is to be Closed, Sealed and Returned to **:Michael-Darrow: family Mason** at: general post-office; Shelby the county; Cordova: Tennessee the land; commonwealth Yisrahel; near de facto [38016].

This Affidavit by the stewards in support of the Arrest by Writ to Execute against the Public Hazard Bonds-Insurance for J. Daniel Breen, Stuart J. Canale, Stephen Shankman, James H. Allen and Thomas M. Gould for their trespass and oppression on the living man **:Michael-Darrow: Mason** in their attempt to force foreign religious beliefs, foreign law, insurance regulations, corporate superiority over man, taking of equity from the county Trust (as if **:Michael-Darrow: Mason** owes faith to foreign pagan masters) and for the benefit of man for the county Trust; Shelby or Tennessee the land: commonwealth Yisrahel; this third day; second month; six thousand eleven.

To the FDIC, United States Marshal Service; Provost Marshal Service and Archdiocese, Greetings:

Shankman defendants and forthwith Arrest, by distress, the Public Hazard Bond and hold him to be brought before the Assessor: Magistrus: stewards for the county Trust to Answer to the charges of Contempt of court, Constitutional Crisis and Treason based upon the Affidavits in Truth and Complaints of the stewards for the county Trust in which it is substantially alleged as follows to wit:

That the Defendants in contravention and oppressions of the *Laws of Yahweh, The Almighty* and the Sovereignty of *Yahshua's* county Trust as attested below:

TREASON: "Treason against the county trust" and servants for Yahweh, shall consist of:

1. Levying War against Yahshua's county Trust and stewards thereon the land;
2. Aligning oneself with or aiding and abetting another nation or people with whom the county Trust is attempting to live in peace through the *Most High*;
3. Acts of espionage for an enemy state, foreign corporations and for a foreign cause;
4. Attempting by overt act to overthrow the county Trust, rebellion against the county Trust, insurrection and invasion of the county Trust; and
5. Abrogating or attempting to abrogate, subverting of attempting or conspiring to subvert the county Trust by use of force or show of force or by any other means which attempts to undermine-oppress Yahshua's county Trust and a servant of Yahweh.
6. Taking of equity, a man's labour by force, fraud and imprisonment, from the county Trust for no benefit of his fellow man, simply for the taking to give to foreign bankers and pagan causes.

CONSTITUTIONAL CRISIS: "Constitutional Crisis of a steward for the county Trust" a living servant for the *Most High*, shall consist of:

1. Trespass on the Right of Privacy without lawful process.
2. The use of foreign codes and statutes, intended for fictional corporations, on the living man known as *Michael-Darrow: family Mason* a steward for the county Trust-ben-Yahshua, *as if he was public property of the state.*
3. The use of laws by Corporations with no constitutional office to use or enforce laws, which are Politically Motivated.
4. Attempting by force and threat of imprisonment to condemn the living man *Michael-Darrow: Mason* from eternal life by forcing him to worship false idols and the belief that a creation of man has authority and superior to the living man.

CONTEMPT OF THE COURT: "Contempt of the court for Yahshua's county Trust" a living servant for the *Most High*, shall consist of:

1. J. Daniel Breen, in conspiracy with the fore mentioned defendants, has defied the Order from the superior court for the servants of Yahweh, by assuming that his position as a corporate officer for the foreign corporation *the Crown of England* District of Columbia Court for the Crown of England) as being superior to the Word of the *Most High*.
2. J. Daniel Breen, in conspiracy with the fore mentioned defendants, has classified the man *Michael-Darrow: Mason* as public property by issuing a warrant for the arrest of the living man known as *Michael-Darrow: Mason*, as if he was public property, to foreign agents for the Crown of England, United Nations, and Vatican, therefore, agents acting as United States Marshals are attempting to arrest the living man for personal Political gain.
3. J. Daniel Breen, in conspiracy with the fore mentioned defendants, has by his contempt declared the corporations are superior to the living creations of Yahweh.
4. J. Daniel Breen, in conspiracy with the fore mentioned defendants, has by his contempt, confesses that the foreign corporations: Crown of England, International Monetary Fund, Internal Revenue Service and the B.A.R. Association are due tithes from a man's labour from the county Trust for the Trustee, Yahshua. By the simple fact that these corporations are superior to the living creations of Yahweh and are due tithes from Yahweh's children.

That on the twenty-sixth day of the March month in the year 2008, at diverse Julian-pagan calendar months and dates the defendants J. Daniel Breen, James H. Allen, Thomas M. Gould, Stuart J. Canale and Stephen B. Shankman conspired, connived, and acted in cohort with other Agents, united for Reconciliation and Democracy forces to overthrow the sovereignty of Yahshua's county Trust and stewards for Yahshua's county Trust, by use of force and willful oppression to benefit paganism.

It is further recorded that the structures of governance would be altered and the radical re-organization of the county Trust and other key components of the original government would take place by the use of tyranny and blasphemy. Therefore placing Yahshua's county Trust under the control of heathens.

In furtherance of defendant's evil design, and following premeditated plans of force with his colleagues of de facto Agents, they, defendants went onto the land for the county Trust with the willful intent to wage war on the county Trust and commit Treason, Blasphemy and to create a Constitutional Crisis.

That despite the wicked and diabolical plan to overthrow Yahshua's county Trust by force, the Defendants, having full knowledge thereof, did, without the fear of the *Most High*, and being moved by the instigation of Satan without lawful justification or excuse, unlawfully, willfully, wrongfully, intentionally, deliberately, feloniously, with premeditation and malice aforethought, did connive, conspired acting in cohort and in concert with common design did embrace and aided in the formulation of the ideas and aspirations of the de facto Agents to overthrow Yahshua's county Trust, and for the purpose to unseat the county Trust by force. Then and thereby the crimes of Blasphemy and Treason the defendants did do and commit, contrary to the form, force and effect of the Statutory Laws of Yahweh, in such case made and provided and against the peace and sovereignty of Yahshua's county Trust. AND HAVE YOU THERE THIS ARREST BY WRIT TO EXECUTE.
